*Serving veterans,  
the military,  
And our communities*

Dear American Veteran,

November 11, 2011

When thieves stole the bronze veteran's markers from the Deerfield cemeteries in early 2010, VFW Post 3295 stepped forward and helped the cemetery caretakers identify and replace each and every marker in time for the Memorial Day remembrance.

When the towns of Deerfield and Whately needed a Rifle Honor Squad for the Memorial Day parade and salute in 2011, VFW Post 3295 organized, trained, marched and fired in honor of our fallen comrades.

When John S. Klisenbauer, former VFW Commander & WWII veteran passed away in September 2011, VFW Post 3295 attended the wake and our Rifle Honor Squad fired the salute at his funeral.

As the "Greatest Generation" departs, the next generations must step to the plate, providing service to the community and honor to our fallen comrades. There were six of us in the honor squad last Memorial Day. Since then, our professionalism, seriousness, and dedication drew five more to the squad. We recently received six Ceremonial M1 Garand rifles, replacements for our M1903 Springfield rifles. We have six more on order. Our plan is to offer both a Color Guard and Rifle Honor Squad as needed to our communities. We would like to provide other services but we need your help.

We meet at 6 P.M. on the first Wednesday of the month in the Senior Center at 67 North Main Street in South Deerfield. Our members come from Deerfield, Whately, Sunderland and surrounding communities. We do not know who you are because that information is confidential. The Post has decided to add this letter to the next issue of the Whately Scoop. If your service was in a foreign conflict, you may qualify to join us. If you are curious or unsure about joining our VFW Post, we would welcome your call or email. Our mission as a VFW Post is to help veterans, the military and our communities.

**Like you, we served our country as brothers-in-arms.  
Proudly, we still serve.  
Join us.**

Volume 9 Number 12 December 2011 Whately, Massachusetts

## Whately Cultural Council

Neal Abraham, chair.

The Whately Cultural Council will hold its annual meeting for public comments and for reviewing proposals received for grants for events in 2012 on Tuesday, December 13, at 7:15 p.m. in the Town Hall. The Council received 23 applications for about \$7500, twice its annual allocation of funds from the Massachusetts Cultural Council. I would also like to offer special thanks to Marianne Simon who served an extra four months as Treasurer for the Cultural Council as we made our transition to new members. Thanks to Katie Edwards for assuming the role of Treasurer.

Please consider this a reminder to start those creative juices flowing.

The event is on Saturday, at 7pm, in the Whately Elementary School Gymnasium.

The process for getting on stage is quite simple: just call and describe your act. If you have something in mind, please call Dave Robinson, at 665-8452.

For over a dozen years, "Uncle Dave" has invited hundreds of acts onto the stage in your home town – from the youngest children to the most seasoned performers. Every year, the story is the same: everybody who attends, and everybody who performs, has had a great time. Everybody is welcome to join in the fun.

The obligatory rehearsal is on Friday, March 30<sup>th</sup>, same place, 6-8pm. We are unable to allow any acts to perform on Saturday if they do not attend on Friday. Thank you for understanding and for your continued support.

### Whately Historical Society Events

by Dee Bardwell

The Whately Historical Society was pleased to receive a grant from the Community Preservation Committee. Its purpose is to digitalize our audio tapes to preserve them for future generations. We have completed our interviews and soon the work will begin. It is exciting to be learning new techniques in the media world.

We have new acquisitions which have been added to our collection. Many farm related tools were on display at this year's exhibit and now are part of our permanent collection - a carpenter's vis, a large standing butter churn a wooden roller, a Consolidated Cigar Corporation cap.

When cleaning your attic or barn remember to ask, "Should I bring this to the Historical Museum?"

A new project needs your help. Who remembers Taddy Mouse? Those who do will be pleased to know that the stories will be published and Taddy himself will be created. Dorothy Polhemus, a teacher here in the Center School wrote stories about Taddy and shared them with her pupils. Since Taddy is small (9 inches miniature) objects are needed for posing Taddy in pictures for the book. If you collect doll house furniture or miniatures perhaps you have some of the following: little red wagon, small pair of roller skates, a pony cart that Star, the pony, could pull, a small toy cat, miniature church steeple with a weathervane, tiny food (doughnuts, nuts, candy) a little boy doll and a bed for him, a small frying pan.

If you are willing to let us photograph Taddy with your possessions contact me at 665-3837 to make arrangements. This is an exciting endeavor for us and we look forward to a great exhibit next year with Taddy a special feature.

### Whately Land Preservation

Mary Dingman-Abel, WLP

Over 95 photos capturing beautiful Whately!! If you haven't seen them yet, head to the Whately Library where the exhibit will be up until January 4, 2012 (date extended). Whately Land Preservation, sponsors of this wonderful event, wishes to thank all those who contributed their work, as well as the Whately Inn and A2Z Science and Learning Store for their share of the prizes, and our judges, Suzanne Bell, Greg Cangialosi, and Tom Leamon. The show is quite an eclectic collection that certainly pays homage to this beautiful and diverse little town.

Thank You  
 to everyone who helps produce the Scoop and helps keep Whately informed.

Winners of the 2011 Photo Contest in the adult division are: 1st place - Michael LaCoy (Beetle on a Stalk, North St), 2nd place - Gail Cleare (Yellow Barn, 207 Chestnut Plain Rd.), 3rd place - Terry Gadowski (Trees in Bloom, Dickinson Hill Rd), Honorable Mention - Nick Sarfaty-Jackson (Beautiful Whately Flowers, Town center) and Liz Scott (Bringing in the Hay at Scott Farm). In the Junior Division, 1st place went to Keaton Warren (Pond Near State Road), 2nd place to Sierra Warren (Flower at Quonquont Farm), and 3rd place to Ryan Brown (Stream Along Williamsburg Road).

Once again, WLP will be using this rich source of material to print two different batches of note cards (6 different cards per batch) and a 2012 desk calendar. Look for these items soon at the Library, at LaSalles, and at the Library's Dec. 3rd Holiday Fair to be held at the Church. They make wonderful seasonal gifts and their purchase helps WLP preserve the land and its bounty so abundantly celebrated in our photographs.

On April 21, 2012, in honor of Earth Day, WLP will be sponsoring a roadside trash pick-up. We welcome all in the community to be part of this. Mark your calendars now and look for details in the New Year.

I would like to thank

**CPA Project Application Deadline Dec. 15** by Community Preservation Committee

The Whately Community Preservation Committee is now accepting applications for projects to be voted at the April 2012 town meeting. The deadline for submitting project proposals to the CPC is December 15, to give the committee time to review submissions, make its choices, and hold a public hearing on the proposals prior to publication of the town meeting warrant. An application form and project eligibility criteria are available at the town's web site, [www.whately.org](http://www.whately.org).

Whately was one of only eight Massachusetts communities to receive a 100% state match of its FY 2010 Community Preservation revenues. The average match percentage statewide was about 37%, with only those communities - like Whately - which had adopted the full 3% CPA surcharge getting more than the 26.6% first round state match distribution. The match brings the CPA revenues for FY2010 to more than \$126,000. The funds may be spent on open space (including APR's), historic preservation, community housing, and recreation. Funds may also be saved to spend on projects in these categories in the future.

**Town Clerk News**

By Lynn Sibley

**Street List** – During the last week of December 2011, the 2012 Annual Street List forms will be sent to all households. Please verify the information, include all household residents including children, sign and date the form and return to the Town Clerk's Office by January 20<sup>th</sup>. There is a locked black mailbox outside the Town Clerk's office at the Center School Building at 218 Chestnut Plain Road for your use. It is important that the town has a correct account of all residents because many of our assessments and grants are based on population and we must have accurate numbers so that we receive or are charged the correct amount of money.

**Dog Licenses** – The Town Clerk's Office will start issuing dog licenses on February 1, 2012. There will be an insert in the Street List envelope explaining the requirements to license your dogs. All dogs must receive a rabies vaccine and any dog six months old or older must be licensed per state law. See section below for new online payment availability. Late fees for not licensing your dog will go into effect on June 1, 2012.

**Elections** – The Annual Town Election will be held on Tuesday, June 12, 2012. Nomination papers for elected positions will be available on February 1, 2012. Visit [www.whately.org](http://www.whately.org) for more information in the weeks to come or contact Lynn Sibley, Town Clerk at 665-0054.

By Lynn Sibley

**New Services Now Available**

**Online Vital Record and Dog License Requests** The Town Clerk now has an online system that will allow you to purchase dog licenses, birth, marriage and death certificates online. Much like the present system for paying real estate taxes on line, the Clerk's office offers you the opportunity to purchase your dog license from the comfort of your home. If the Clerk's office has a valid rabies certificate on record, you will be able to pay from your checkbook or with a credit card on line. Just go to [www.whately.org](http://www.whately.org) and click on Order Online Vital Records here. (Additional fees will apply to purchases made with a credit card). **If you have a new dog or need to provide updated rabies information you will need to do the transaction by mail or in person.**

Birth certificates will be available for those people whose parents were living in Whately at the time of their birth. Marriage certificates will be obtainable for those people who filed their marriage intentions in Whately, not necessarily

that they lived or were married in Whately. Death certificates will be available for any person that died in Whately or was living in Whately at the time of their death. If you are unsure of these requirements please call the Clerk's office at 665-0054.

**Fish and Game Licenses** Although the Town Clerk is providing a new online system for certain transactions, the office will no longer provide hunting and fishing licenses for 2012. Due to a new online program the Division of Fisheries and Wildlife has acquired, the Town Clerk's office computer will not be able to meet the system standards necessary to be a Licensing Agent. The town is also uncomfortable with the new requirement that a vendor would be able to sweep our bank account on a weekly basis to get the payments for the Division of Fisheries and Wildlife.

However, personnel in the Town Clerk's Office or the S. White Dickinson Library staff would be happy to help any residents with the online transaction. Those of you who have automatically received free licenses over the years will also need to go online to get your license or to another participating vendor such as Dick's or Walmart. We regret that we won't be able to provide licensing directly for the residents.

**Connect CTY Town Wide Notification System** Lynn Sibley, Emergency Management Director

When the town first purchased the Connect CTY system I never realized how much it would be used and what a vital service it provided to the residents. Using the system for updates on Tropical Storm Irene and for the October 29<sup>th</sup> snow storm we recognized how important cell phone numbers are to the system. Residents who had corded phones and Verizon service were able to receive calls. Residents that used

Comcast or had portable phones lost the service a few hours after the power went out. Cell phone service in general was up and running through most of the storm.

I encourage everyone to include their cell phone numbers in our Blackboard Connect CTY program. It is very simple to do. You can go to [Whately.org](http://Whately.org), scroll down and click on "Sign on to Blackboard Connect CTY". It will ask you some simple questions. If you have another number as your primary number, your cell phone will not be called for routine messages. However if the message is of a critical nature such as the recent storm updates, the system is programmed to call all numbers. You may also call 665-4400 directly and we will input any numbers that you would like into the system.

I would also like to thank everyone for their positive comments regarding this phone notification system.

**The Whately Scoop needs help** following up on the small amount of fundraising we do to keep this newsletter free to all. If you have even a small amount of time to help out, it would be greatly appreciated.

**The deadline for submission to the Dec. 2011 issue of the Scoop is Nov. 30, 2011.** Please email your literary contributions to [jpfortune@comcast.net](mailto:jpfortune@comcast.net).

December's here - it's time to rest  
 All creatures find a cozy nest  
 Or else a warm and ample cave  
 For them and all the food they've saved.

Birds are quiet - not a song  
 to hear from them all winter long,  
 Snow is quiet coming down,  
 It muffles sound throughout the town.  
 So let's keep warm and ease our pace,

Remember life is not a race,  
 Enjoy the winter and the snow,  
 Drive with care and keep it slow!
